

THE SPEED COUPE

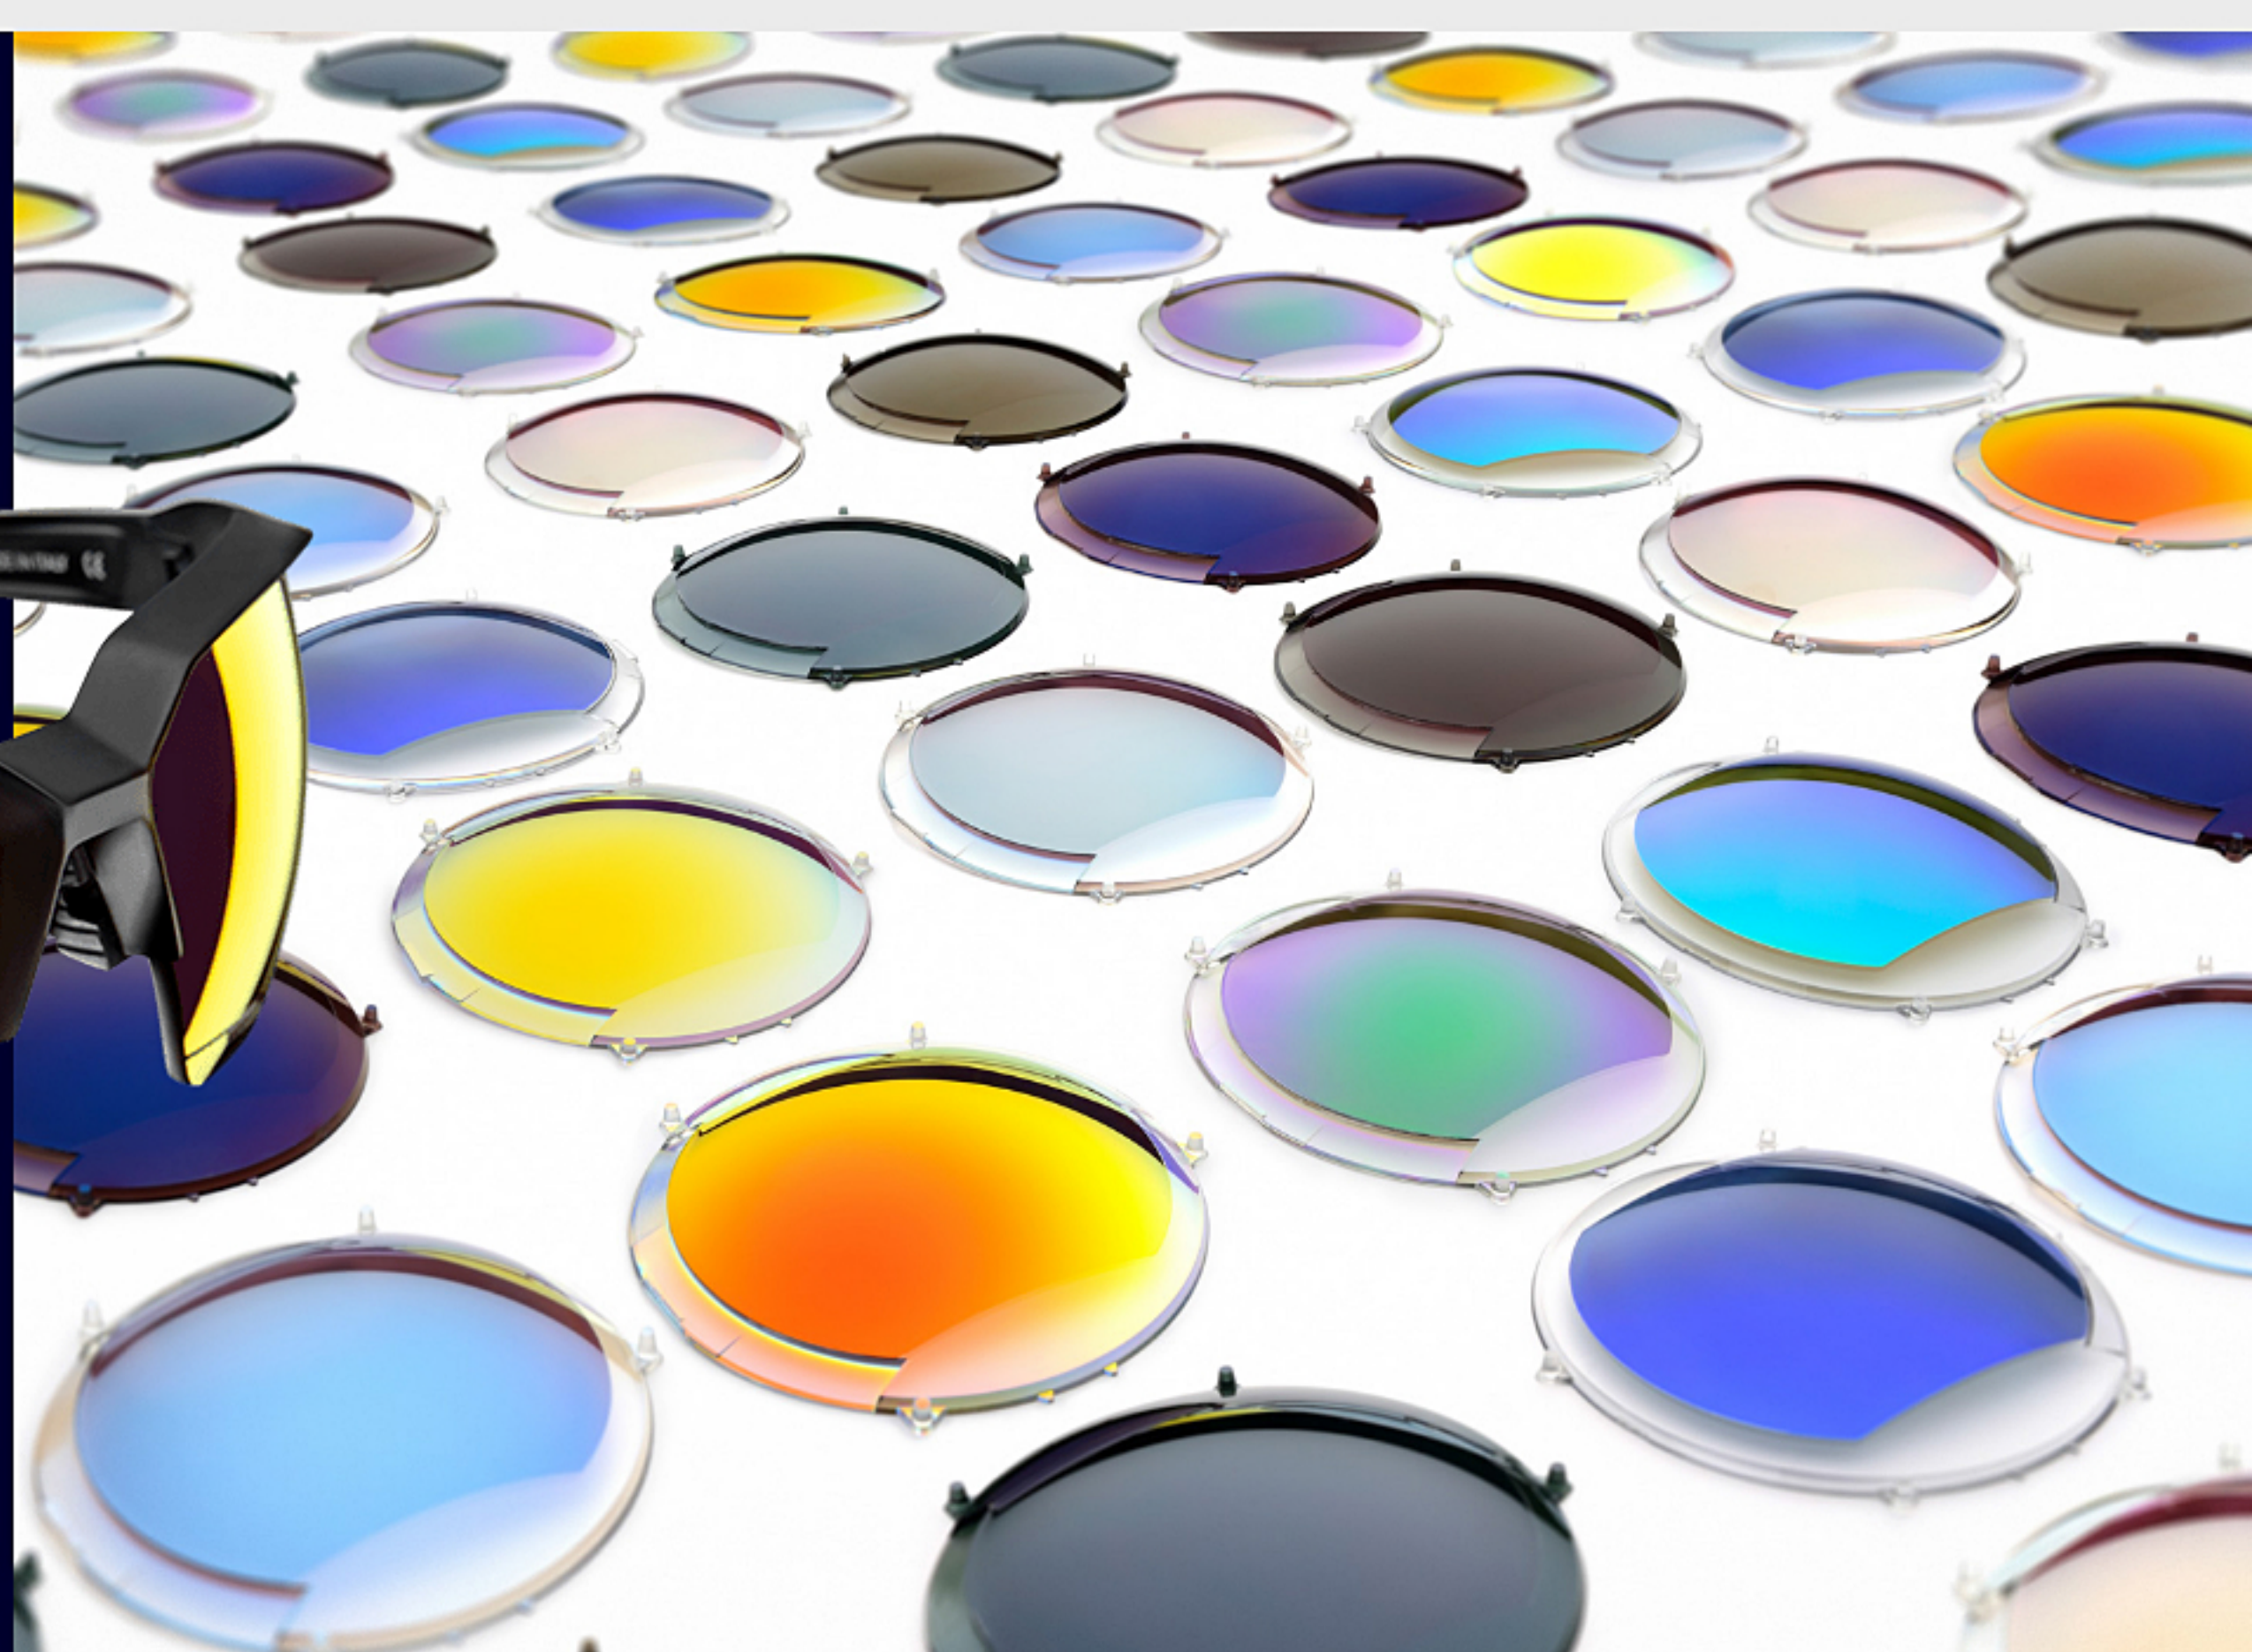

PERFORMANCE **eyewear** 100%

The Speedcoupe is designed to elevate your performance to the next level without compromising your style. Engineered with the finest materials, 100% eyewear exceeds the demands of top-level athletes resulting in a lightweight, comfortable fit.

SPEEDCOUPE Features

- 1 – Dual-lens, semi-rimless Design for enhanced coverage with unobstructed view.
- 2 – Megol® rubber coated Nose Pads & Temple Arms offer superior fit and comfort.
- 3 – Enhanced space between lens and face increases airflow and prevents fogging.
- 4 – Temple Arm Scoops form a secure fit to your head and manage moisture.
- 5 – Wrap-around Design reduces movement on your face.
- 6 – Air Scoops increase ventilation while reducing moisture on the lens.

LENS TECH

The Speedcoupe features Dalloz lenses crafted exclusively at the state of the art Christian Dalloz Sunoptics facility located in France.

For more than 50 years, Dalloz Sunoptics has been producing aesthetically pleasing, high-performance technical lenses recognized for flawless clarity.

- 1 Eight base decentered lenses provide excellent peripheral field of vision.
- 2 Available in regular and short lens options for the optimal coverage and fit.
- 3 100% UV Protection
- 4 Anti-reflective interior surface coating.
- 5 Hydroleophobic exterior surface coating.
- 6 Full range of interchangeable replacement lenses available for all light conditions.
