PEAK POLAR
100%

Peak Polar – no compromise.

Imagine a lens that is both polarized and allows you to see everything that's in front of you.

Screens, phones, tablets & GPS. Through rigorous testing, we have formulated an optimized polarized lens that eliminates glare without sacrificing everyday usability.

You no longer have to choose between a polarized lens and your visibility.

HiPER LENS
100%

The HiPER Lens ramps up contrast, amps up colors and enhances detail so you miss nothing.

Sharper contrast
Selectively filters rays that increase detail and definition for greater depth perception.

Higher quality
Sharpens your surroundings, see more of what matters.

Peak color awareness
Color comes alive for unmatched perception.
