

COD. 5000005641

**1.** Mount the clip on the bracket, then place it with the hole on the left side of the frame.

**2.** Position the bracket ensuring that it is 48 mm from the centre of the engine screw, on both sides.

**3.** Secure the bracket with the supplied strap using the hole provided. Attach on the left side of the frame.

**4.** Ensure that the clips of the skid plate are properly inserted on the frame.

**5.** Secure the skid plate to the previously installed bracket, using the socket and screw supplied.
