

Mounting Instructions 15678-158A GL1500 Rear Speaker Cover Accents

CAUTION: YOU MUST USE THE 8 FLAT WASHERS. FAILURE WILL RESULT IN CRACKING THE PLATING.

1. Remove the 8 screws that hold on the right and left armrest covers.
2. Disconnect the rear speaker wires from the speaker if applicable.
3. Remove the eight mounting screws from the left and the right speaker covers.
4. Install the chrome rear speaker covers using the original screws and the 8 flat washers supplied.
5. Reinstall right and left armrest covers.
