

INSTALLATION INSTRUCTION for PART 45-1698 GL1800 2012-13 Side Fairing Logo

Read instruction thoroughly before installing.

1. Put bike on center stand.
2. Test fit the parts on the bike to check fit and location.
3. Clean location where part 45-1698 will be placed with alcohol pads.
4. Remove backing from two sided tape.
5. Working one side at a time, press one piece onto the bike and hold firmly for at least one minute.
6. Repeat on the other side.
7. Do not ride bike for 24 hours to allow the two sided tape to properly adhere.
