

## MC2CSBH

### Arkon Replacement or Upgrade Premium Aluminum Motorcycle Handlebar Mount for Arkon Dual-T Holders Chrome

#### DESCRIPTION:

Arkon's MC2CSBH premium aluminum motorcycle handlebar mounting pedestal replaces, upgrades, or adds to an existing mounting pedestal and is compatible with Arkon's universal smartphone and tablet holders (sold separately), including the Slim-Grip Ultra Universal Smartphone and Midsize Tablet Holder (SM060-2), Slim-Grip Universal Smartphone Holder (SM050-2), Slim-Grip Universal Tablet Holder (TAB001), and Mega Grip Universal Smartphone Holder (SM040-2). This mount package includes the Premium Motorcycle Handlebar Mount with Dual-T Head. Available in chrome or black (see Arkon Model MC2CSBH) finishes, the mount is made of aluminum and features a minimal but solid design. The mount fits on handlebars measuring up to 31.75mm or 1.25 inches in diameter and is easy to install with the included hex key. (Three handlebar spacer/adaptor rings of different widths are also included with the mount. Choose the appropriate size for optimum mounting to your handlebar.) The mount's swivel ball adapter head rotates 360 degrees, providing the ultimate flexibility in viewing the device from any angle. To use the mount with a Garmin GPS device, Arkon recommends Model MC2C. Or, couple the mount with a water-resistant case for smartphones or GPS devices with Model MC2C5WPCS. To use the mount with small action cameras with a 1/4"-20 camera pattern, Arkon recommends Model MC2CCAM.
