**Package Contents:**
**RVXLWR-B** – RoadVise™ XL Phone and Midsize Tablet Holder with Tightening Ring
**MC2C** – Premium Motorcycle Handlebar Mount – Chrome

Three handlebar spacer/adapter rings of different widths are also included with the mount. Choose the appropriate size for optimum mounting to your handlebar.

**IMPORTANT:** Do not overtighten ring. Overtightening ring may damage threads on holder and also make it difficult to adjust holder.
**Compatibility:**
For handlebars 30mm-40mm in diameter. Fits smartphones with cases weighing up to 2 pounds and measuring up to 5" wide.

❶ Place appropriate handlebar spacer/adapter ring around handlebar. Attach mount to handlebar around spacer. Use the included hex key to securely tighten both mounting screws.

❷ Place adjustment ring over the mount's ball. Snap the RoadVise XL Holder onto the mount and tighten adjustment ring to set position.

Adjustment Ring

Fits all phones and midsize tablets up to 5" wide with large or ruggedized cases.

❸ Using two hands, insert the phone into the holder by pushing the device into one of the spring-loaded legs. Expand the other leg and fully insert device until it lays flat against the gray rubber pad.

❹ RoadVise XL Holders work best with smartphones using a case. For maximum grip, make sure to use a ruggedized case while using this product.

Ruggedized Case

**OPTIONAL:** To remove holder without removing the handlebar attachment, use the hex key to unscrew the set screw and lift up.
