## Unbreakable Guarantee Information

All ASV products carry an unconditional guarantee against breakage. That's right, if you break your ASV product, we will repair or replace it. No matter how you broke it. ASV is the only lever manufacturer that offers this guarantee in writing. Think about how much money you would save in replacement levers if you had ASV levers on your bike. We also apply "unbreakable" guarantees to all of our products.

ASV Unbreakable Guarantee starts from date of purchase:

- C6 Series — 6-year guarantee
- C5 Series — 5-year guarantee
- F4 Series — 4-year guarantee
- F3 Series — 3-year guarantee
- F2 Series — 2-year guarantee
- Y-Handle Tools — 5-year guarantee
- Rotator Clamps — 5-year guarantee
