CYLINDER KIT, PISTON,
GASKET KIT
BIG BORE 69 mm / 163,5 cc
2007-2009**

P400210100023

ATHENA has enlarged its wide range of Off-Road cylinder kits including the new BIG BORE kit for HONDA CRF 150 R. The kit includes an Alluminium cylinder with nicasil coating steel barrel (in accordance with Athena's high Quality Standards), which can be fitted in the engine without crankcase boring. It guarantees lower friction loss and high performances. Thanks to Athena's high standards, to a new production method and the use of CNC machines, the cylinder kit guarantees an unbeatable quality-price ratio.

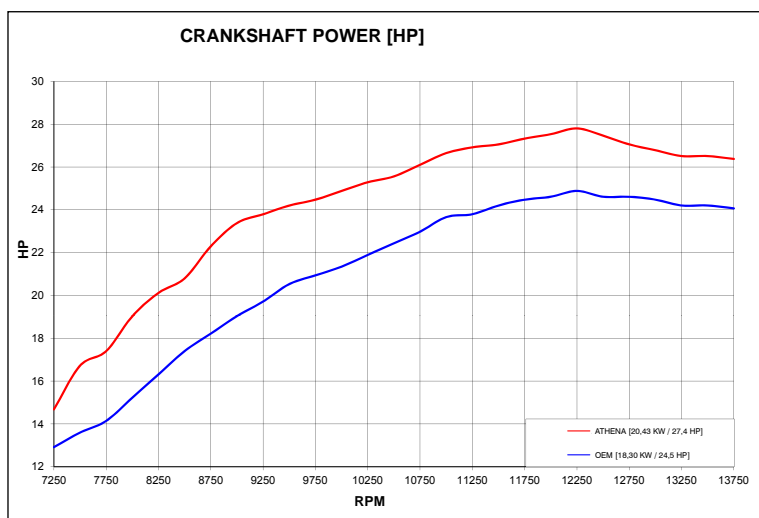

- Galvanic coated aluminum cylinder;
- **S4F069000030** Forged Piston (D. 68,96 mm);
- **P400210160019** Special gasket kit;
- **P400210201002** Racing camshaft (not included into the kit)
