

## **BATLAX** ADVENTURECROSS SCRAMBLER **AX41S**

The all new AX41S was developed specifically for the rider who wants classic Scrambler looks, but still desires Bridgestone performance and capability.

**BRIDGESTONE**  
Your Journey, Our Passion

## A TIRE THAT BLENDS BRIDGESTONE TOURING TIRE EXPERTISE WITH SCRAMBLER STYLE.

Developed to give wet and dry performance while still matching the modern classic styling of the Scrambler and Café Racers.

- Pattern design and block positioning to match modern classic and custom styling
- Maximizes grip in dry conditions as well as delivers reliable wet performance
- Adopts a single sport-touring compound on the front and a sport-touring compound in 3LC™ configuration on the rear.
