

# #1602M Manta X2 MOUNTING INSTRUCTIONS

1. With long end facing front of motorcycle, place Manta X2 on top of motorcycle tank (fig. 1).
2. Straighten out side, front and rear magnetic flaps so that maximum magnetic adhesion is achieved.
3. Center and adjust the position of the Manta X2 to your satisfaction.
4. DO NOT LOAD IN EXCESS OF 2 LBS.
5. Go for a ride and have as much fun as possible.
6. For use as shoulder bag, tuck side and rear magnetic flaps behind underside base cover and attach shoulder strap (fig. 2)

## CLEANING;

Open all zippers, remove all inserts and hardware. Hand wash using cold or warm water and a mild detergent. Hang dry.
