

How It Works

Chemical Guys NONSENSE is the invincible invisible all-purpose super cleaner! NONSENSE is colorless and odorless for maximum cleaning power on any surface. Stains, grime, grease, and dirt don't stand a chance against the strength of NONSENSE! The amazing super cleaner is strong on dirt and stains, and gentle on sensitive carpets and fabric surfaces. NONSENSE gently cleans and removes dirt and stains from sensitive materials without leaving behind colors, odors, or chemical residue. Engine bays, dirty wheels, undercarriages, and filthy carpets don't stand a chance against the transparent cleaning power of NONSENSE!

The invisible low-foam formula gives NONSENSE the highest level of cleaning power possible with no residue. The special pH-balanced formula of NONSENSE is highly effective on heavy dirt and grime, but gentle enough for the most sensitive fabrics. NONSENSE is super concentrated. 1 concentrated gallon makes 20 gallons of ready to use NONSENSE. Even painted areas can be safely cleaned with NONSENSE. Color free, odorless, and pH-balanced for the safest user experience possible. Hard to reach places are easily cleaned with just a simple spray of NONSENSE: the invincible invisible super cleaner. Clean any surface with NONSENSE all-surface super cleaner.

THE INVINCIBLE SUPER CLEANER

-  NO ODOR
-  NO COLOR
-  NO RESIDUE

THEY SAY IT CAN CLEAN ANYTHING? NONSENSE!

Improved Formula For Better Results

To improve NONSENSE, we had to start from the ground up to re-engineer a product that would completely change the way you think about all surface cleaners. Generic surface cleaners on the market contain coloring agents that can stain and damage the surface or material being cleaned, and caustic fumes that contaminate surfaces and harm the user.

NONSENSE completely eliminates odor and color by utilizing Advanced Transparent Cleaning Technology, delivering a professional strength product that is safe and easy for anyone to use. The elimination of color and odor from NONSENSE means we are able to pack more cleaning power into each bottle. Utilizing Advanced Transparent Cleaning Technology means NONSENSE is safe on any surface, inside and out.

Take a step into 21st century technology and say goodbye to dirt and grime forever with Chemical Guys NONSENSE, the Invisible Invincible Super Cleaner!

What's Different About the New Formulation?

- More powerful and improved cleaning agents
- Zero residue formula - Often cleaners leave behind a white residue, Nonsense leaves behind nothing - invisible and invincible cleaning
- Common cleaners have particles floating in them, nonsense has 0 particles. It's the ultimate clear super cleaner.
- New formula disinfects and eliminates odor

Invisible Cleaner

To improve NONSENSE, we had to start from the ground up to re-engineer a product that would completely change the way you think about all surface cleaners. Generic surface cleaners on the market contain coloring agents that can stain and damage the surface or material being cleaned, and caustic fumes that contaminate surfaces and harm the user.

Highly-Refined Formula

NONSENSE is the colorless and odorless super cleaner. Color-free surfactants prevent staining and discoloration while cleaning even delicate surfaces. Odor-free chemicals gives a pleasant cleaning experience for the user. NONSENSE is truly the invisible cleaner, leaving behind no residue—just cleanliness.

Invincible Cleaner

NONSENSE is the ultimate all purpose cleaner that removes dirt and stains from virtually any surface. The concentrated formula breaks down dirt, grime, grease, and tough stains from interior and exterior surfaces. Easily clean carpet, bumpers, dashboards, door panels, tires, wheels, engine bays, and much more.

NONSENSE is super concentrated for more cleaning power in each bottle. 1 gallon of NONSENSE concentrate makes 20 ready to use gallons. Using intensive research and development, we engineered NONSENSE to be super concentrated to squeeze the most cleaning power possible into one bottle. NONSENSE is designed to give you the most value possible by having a dilution ratio of 20:1. The super concentrated formula not only gives the highest level of cleaning power possible, but also provides the highest level of cost efficiency.

The All-Purpose Cleaner

NONSENSE is highly effective on heavy dirt and grime, and gentle on even the most sensitive fabrics. The unique formula is pH-balanced for safe and effective cleaning. NONSENSE breaks down tough coffee, grease, wine, pet, and food stains in seconds. The all-surface cleaner can be used to clean virtually anything: clean accidental pet stains from carpet; remove dirt and grime from tools and other machinery; clean countertops, floor mats, and chairs in seconds.

Advanced Invisible Cleaning Technology

NONSENSE is the colorless and odorless super cleaner. Color-free surfactants prevent staining and discoloration while cleaning even delicate surfaces. Odor-free chemicals gives a pleasant cleaning experience for the user. NONSENSE is truly the invisible cleaner, leaving behind no residue—just cleanliness.

Dilution Ratio

Dilute NONSENSE 20:1 with clean, filtered water.

Other Sizes Available

Nonsense Colorless/Odorless All Surface Cleaner is available in [4 ounce](#), [16 ounce](#), and [64 ounce](#) sizes.

How To Use:

1. Always test fabric/fiber for color fastness in an inconspicuous area
2. Dilute according to desired needs (approximately 20:1 or as needed)
3. Apply to stained area
4. Allow to penetrate 10-60 seconds
5. Blot with a clean absorbent cloth
6. In a matter of seconds the specially formulated cleaning agents emulsify the stain and the while the surfactants to unlock the soil from the fabric and suspend the dirt in the liquid
7. When you blot with a clean dry cloth, the liquid containing the stain transfers to the cloth
