

This Suzuki GS750 manual is 360 pages.

QUICK REFERENCE DATA

CHAPTER ONE / GENERAL INFORMATION

Manual organization / Service hints / Safety first / Tools / General maintenance hints / Specifications

CHAPTER TWO / TROUBLESHOOTING

Operating requirements / Troubleshooting instruments / Starter / Charging system / Ignition / Engine / Engine noises / Excessive vibration / Lubrication / Fuel system / Clutch / Transmission / Brakes / Lighting system / Front suspension and steering / Specifications

CHAPTER THREE / PERIODIC MAINTENANCE

Routine checks / Periodic maintenance / Drive chain adjustment and lubrication / Engine oil and filter change / Air filter service / Clutch cable adjustment / Brake pad inspection / Front fork oil / Steering head check / Speedometer drive / Engine tune-up / Valve clearance adjustment / Ignition timing (1980 and later models) / Spark plugs / Ignition timing / Contact breaker point and timing adjustment (1979 and earlier models) / Throttle cable adjustment / Carburetor adjustment / Carburetor balancing (synchronization) / Compression test / Storage / Specifications

CHAPTER FOUR / ENGINE (1979 AND EARLIER)

Camshafts / Cylinder head / Valves / Cylinder block and pistons / Engine removal/installation / Oil pump / Cam chain tensioner / Specifications

CHAPTER FIVE / TSCC ENGINE

Camshafts / Rocker arms and rocker shafts / Cylinder head / Valves / Cylinder block and pistons / Engine lower end / Oil pump / Cam chain tensioner / Specifications

CHAPTER SIX / CLUTCH, TRANSMISSION, AND KICKSTARTER

Clutch / Transmission / Gearshift mechanism / Kickstarter / Specifications

CHAPTER SEVEN / FUEL AND EXHAUST SYSTEMS

Fuel tank / Carburetors / Float level adjustment / Fuel petcock / Exhaust system / Specifications

CHAPTER EIGHT / ELECTRICAL SYSTEM

Charging system / Starting system / Battery service / Ignition / Lighting system / Fuse / Instruments / Specifications

CHAPTER NINE / FRONT SUSPENSION AND STEERING

Front wheel / Wheel balancing / Spoke wheels / Front forks / Steering head / Specifications

CHAPTER TEN / REAR SUSPENSION

Rear wheel / Suspension units / Swinging arm / Sprocket replacement / Drive chain / Specifications

CHAPTER ELEVEN / BRAKES

Brake pad replacement / Front caliper / Rear caliper / Master cylinders / Brake pedal adjustment / Brake disc / Bleeding and changing fluid / Specifications

SUPPLEMENT / 1981 AND LATER SERVICE INFORMATION

INDEX
