ATTENTION: THIS RACK WILL NOT WORK WITH REAR SEAT INSTALLED!

Read all instructions carefully before installing your new Cobra product!

Your formed luggage rack will install in just a few minutes using common tools.

1. Remove and discard the (2) M8 bolts from the left side fender rail. **NOTE:** Remove only one side of fender bolts at a time otherwise fender may fall - resulting in possible scratches or damage to fender/paint.
2. Install formed luggage rack by inserting the longer supplied M8 bolt through the front hole of the formed rack, supplied short spacer, and into the front fender rail. Insert the shorter supplied M8 bolt through the rear hole of the formed rack, supplied long spacer and into the fender rail. **DO NOT TIGHTEN AT THIS TIME.**
3. Repeat Steps 1 & 2 on right side.
4. Align the formed luggage rack and tighten the (4) M8 bolts. Torque all bolts to their appropriate values.

PICTURE MAY VARY FROM APPLICATION

**Cobra® recommends you always wear a helmet while riding. Please never operate your motorcycle while under the influence of alcohol and/or drugs. Enjoy the new look of your motorcycle and please ride safely.*
