A motorcycle racer in a blue and yellow suit is leaning into a turn on a track. The rider is wearing a helmet with 'HJC' and a star logo. The motorcycle has 'SUZUKI' and '24' on the fairings, and 'DUNLOP' on the front and rear fenders. The background is a blurred track and grass.

THE BEST TECHNOLOGY AVAILABLE FOR SERIOUS RACERS.

A motorcycle racer in a white and blue racing suit is leaning into a turn on a track. The rider is wearing a white helmet with the 'SHOEI' logo and a racing suit with 'FORTECH' and '100%' branding. The motorcycle is also white and blue. The background is a blurred green field. The text 'ULTIMATE GRIP WHEN YOU RIDE HARD.' is overlaid in white on the image.

ULTIMATE GRIP WHEN YOU RIDE HARD.

An aerial photograph of a large industrial complex, possibly a manufacturing plant or warehouse. The facility consists of several large, interconnected buildings with flat roofs. A prominent feature is a tall flagpole on the right side, flying the United States flag. The surrounding area includes parking lots filled with cars and some green spaces. The overall scene is captured in a dark, slightly desaturated tone, emphasizing the industrial nature of the site.

MADE HERE, IN THE UNITED STATES, FOR YOU.

Handling

Because bikes are meant to lean over.

CFT

Carbon fiber reinforcement in the tire sidewalls for exceptional cornering performance and feel.

Multi-Tread

Two compounds in the same tread give riders great mileage without sacrificing handling.

EVERY DUNLOP TIRE IS HAND INSPECTED BEFORE IT LEAVES THE FACTORY. (100% OF TIRES THAT LEAVE THE FACTORY ARE QUALITY INSPECTED.)
