

EVO 2 ROOST DEFLECTOR INSTALLATION INSTRUCTIONS

- 1** First determine the right side deflector from the left side deflector. The EE sticker is on the top of each deflector with the arrows pointed inwards.
- 2** If your Enduro Engineering Debris Deflectors have the two mounting holes as shown in [Fig. 1] go to step 3 through 6. If not proceed to step 7.
- 3** Hold the Roost deflector up against the Debris Deflector, matching the contour of the plastic deflector to the contour of the aluminum Debris Deflector. [Fig. 2]
- 4** Hold the front deflector plate against the Debris Deflector. [Fig. 3]
- 5** Using 2 of the supplied M5x16 flat head bolts, fasten the front deflector plate and EVO 2 Roost Deflector to the Debris Deflector. [Fig. 4] Evenly tighten using a 3MM Allen wrench.
- 6** Repeat steps 2 through 5 for the other EVO 2 Roost Deflector.
- 7** Hold the EVO 2 Roost Deflector up to the Debris Deflector as a template. Now mark the two spots that are to be drilled. [Fig. 5]
- 8** Using the supplied No. 16 drill bit, drill the two holes you just marked. [Fig. 6]
- 9** Hold the Roost deflector up against the Debris Deflector, matching the contour of the plastic deflector to the contour of the aluminum Debris Deflector. [Fig. 2]
- 10** Hold the front deflector plate against the Debris Deflector. [Fig. 3]
- 11** Using 2 of the supplied self-tapping Phillips screws, fasten the front deflector plate then and EVO 2 Roost Deflector to the Debris Deflector. [Fig. 7] Evenly tighten with a Phillips head screw driver.
- 12** Repeat steps 7 through 11 for the other EVO 2 Roost Deflector.

WARNING AND DISCLAIMER

All parts manufactured, designed or sold by Enduro Engineering, Inc. (EEI) are to be installed by a licensed motorcycle dealer or a licensed motorcycle technician. Motorcycles can be dangerous. Serious injury, death and property damage can result from the use of motorcycles. This risk is increased by improper installation or misuse of after market parts. EEI's customers must exercise good judgment in the use, control, alteration, part selection and installation, and maintenance of their motorcycles. In the event of a possible defect in material or design, or any other defect in a part manufactured, designed or sold by EEI, the responsibility of EEI is limited to either a refund of the purchase price or the replacement of the part if EEI determines the part to be defective, and subject to EEI's inspection of the part within thirty (30) days from the date of purchase. (Note: any attempted repairs or modifications made to EEI products will void this limited warranty). EEI, under no circumstances will be responsible for incidental and/or consequential damages, property damage, personal injury damage, or damage, injury, cost or expense of any kind or nature whatsoever. By purchasing an EEI product or a product sold by EEI, you (1) acknowledge the above disclaimer and agree to its terms; (2) agree that any claim brought against EEI arising from and/or pertaining to or otherwise related to a part manufactured, designed or sold by EEI must be brought in the Michigan State Courts located in the County of Ingham or in the Federal District Court for the Western District of Michigan and that Michigan law shall apply on all issues; and (3) any claim against EEI must be brought within one (1) year of purchase of the product. EEI makes no other warranty, express or implied, including without limitation any warranties of merchantability and fitness for a particular purpose.
