

## Moto Warranty

The factory warranty period for your FOX motorcycle rear shock or front suspension fork is one year from the original date of purchase of the bicycle or FOX product . A copy of the original purchase receipt must accompany any FOX product being considered for warranty service. Warranty is at the full discretion of FOX Racing Shox and will cover only defective materials or workmanship.

This warranty is void when damage has occurred from the following:

- Abuse.

- Damage to the exterior finish caused by improper cable routing.

- Any attempt to disassemble.

- Modifications.

- Non-Factory oil changes or improper service.

- Shipping damages or loss (chase of full value insurance is recommended).

To maintain high performance and product longevity, periodic maintenance is required. (See the maintenance checklist in your owner's manual for further instructions)

To ensure peak performance, repairs and service (other than air-sleeve service on FLOAT models) to FOX rear shocks must be performed by an authorized FOX Racing Shox service center.
