At GMAX Helmets, we pride ourselves in partnering with the factory to create a superior product that meets high quality and safety standards. As enthusiasts with years of experience, the attention to detail and material knowledge is what makes a good product great. We believe and stand behind our 3-year warranty.

GMAX warranty guarantees that our products are free from defects in materials and workmanship. This warranty does not cover damage due to an accident, normal wear and tear and natural break down of colors and materials over time. This limited warranty will cover replacement parts/repair, labor and service to repair the helmet. Some restrictions may apply.\*
