

FEK-17Z125-K

Fender Eliminator 2017 Kawasaki Z125 Pro

Parts List:

- Fender Eliminator Assembly 1
- 6 x 20 mm Allen Bolts - black 4

<<<<<< IT IS RECOMMENDED THAT THIS PRODUCT BE INSTALLED BY A QUALIFIED TECHNICIAN >>>>>>

- 1) Remove the passenger seat using the ignition key.
- 2) Locate and unplug the turn signals and the license plate light from the rear fender assembly.
- 3) Remove the 4 . 10mm bolts under the fender assembly. As you are removing it, hold on to it and carefully feed the wire through the hole..
- 4) Take the stock fender assembly to your work bench, remove the stock turn signals and then reinstall them on the Graves Fender Eliminator bracket assembly.
- 5) Feed the wires through the center 5/8(16mm) hole. See **Photo**. Using the supplied hardware reinstall the Graves Fender Eliminator Assembly in reverse order of the stock assembly removal.

The purchaser releases Graves Motorsports, Inc. from all liabilities pertaining to the installation and use of purchased parts. Purchaser recognizes that any alteration and/or modifications to the vehicle may increase the risk of injury or accident. **This product is intended for Closed Course Competition Use Only** and may render the vehicle illegal for use on public roads.
