- Sunglasses
- Wallet
- Sunscreen
- Personal Protection
- Keys
- Phone
- You Decide

NO TOOL INSTALLATION

RYT-THERE Saddle Bag Shelf Set installs in less than 5 minutes

1. Just peel back the adhesive backing paper on foundation foam
2. Line up the notch of foam RYT-THERE foundation with lid webbing feature on inside edge of saddle bag.
3. Begin sticking down the foam foundation here. Work your way around the front and opposite side walls
4. Install curved feature edge of shelf into the shelf groove on inside wall of foam foundation. Then lay shelf into rest of the groove
5. Install Shelf Lock into shelf lock groove on shock tower portion of foam foundation. Line up tab of shelf with slot of shelf lock and snap shelf lock into outer foam foundation groove.
