

Octane Booster

Klotz Octane Booster is a concentrated tetraethyl lead substitute formulated to increase the MON octane rating of gasoline up to 10 numbers. Helps eliminate engine damaging detonation, spark knock, pre-ignition, and pinging from low octane gasoline. Octane Booster modifies the burn speed and flash point of gasoline to create a stable combustion chamber flame front, maximizing performance and power. Stabilizes oxygenated and ethanol enriched gasoline to prevent lean-out conditions. Klotz Octane Booster provides needed upper cylinder lubrication that is missing in unleaded gasoline.

- **Raises MON octane rating up to 10 numbers**
- **Improves throttle response and acceleration**
- **Prevents pinging and spark knock**
- **Stabilizes oxygenated and ethanol enriched gasoline**
- **Absorbs moisture in fuel system**
- **Preserves gasoline up to 16 months**
- **Eliminates gum and varnish build-up**
- **Catalytic converter safe**
- **O2 sensor safe**
- **Lead substitute**
- **Fuel injector cleaner**

CHARACTERISTICS

Product Color Green
Chemical 100% Pure Synthetic

CERTIFICATIONS

None

DIRECTIONS

Octane Booster: 1 oz. Octane Booster per gallon of gasoline will raise the octane by 2 1/2 numbers. 2 oz, 5 numbers. 3 oz, 7 1/2 numbers. 4 oz, 10 numbers. For optimal performance, match the octane to the engine's compression ratio. Use octane index A.K.I. and R+M/2. Octane Booster is effective in inverse ratios to the octane level.

Gasoline Stabilizer: Preserves gasoline during storage. Add 1 oz. of Octane Booster per gallon of gasoline for 6 to 8 months, or 2 oz. per gallon of gasoline for 12 to 16 months.

Fuel System Cleaner: Add 16 oz. of Octane Booster to gas; treats up to 20 gallons of gasoline.

To protect painted surfaces, wash off immediately with water to prevent damage. Will not harm catalytic converters.

COMPATIBILITY

All gasoline, synthetic lubricants and petroleum oils.

Will blend with lubricants and oils with gasoline in extreme Temperatures.

Looking for dependable motorcycle oils & chemicals? Rely on Klotz for quality and long-lasting products.

PART NUMBERS

KL-602	10 PT CASE
KL-628	1 GALLON CASE
KL-602 30 GL	30 GAL DRUM
KL-602 55 GL	55 GAL DRUM

RECOMMENDED APPLICATIONS

For use in all 2/4-Stroke gasoline engines
