

INSTRUCTIONS FOR PART 18-113 GL1800 FORK LIGHTS

Note: Read instructions thoroughly before installing.

1. Place bike on center stand.
2. Take off caliper covers by removing the four screws from the caliper cover. Figure 1.

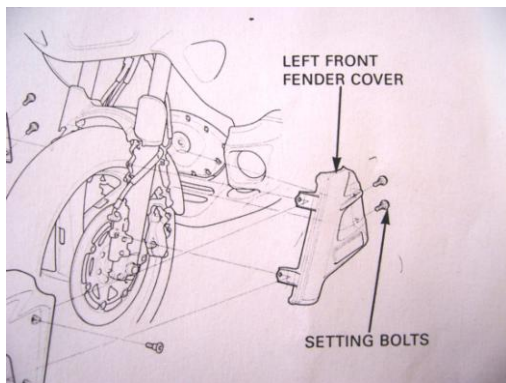

Figure 1

3. Place template over the edge of the cover as shown in figure 2 and mark pilot holes. Template on reverse side.

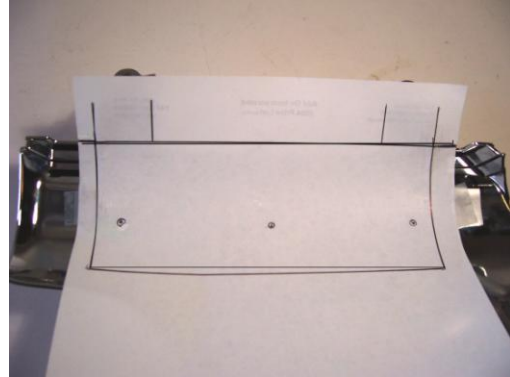

Figure 2

Figure 3

4. Drill three pilot holes then gradually enlarge hole to 5/16 inch. This may take several drills. Figure 3.
5. Install lights and wire to accessory switch. (We recommend our part 18187, Economy Accessory Switch Kit.)
6. Reinstall caliper cover.
