

Limits of Warranty

Warning: Use of non-Lyndall brake pads on Lyndall Rotors may result in gouging of the compound friction ring and will void the warranty.

Lyndall Rotors are designed for use exclusively with Lyndall Xtreme brake pads.

For the highest performance and to achieve a higher service life of 50,000 miles - use Lyndall Brake Pads with Lyndall Rotors.

Lyndall Racing Brakes (LRB) and/or manufacturer, warrants only that its products are constructed to general industry standards and have passed manufacturer's own plant inspection. Because of the grave and unavoidable dangers involved in racing, LRB and/or manufacturer makes no warranty, express or implied, of any products suitability for use, notwithstanding its history of successful product usage. LRB, and/or manufacturer again, makes no warranty whatsoever regarding its product's safety or application. Further, LRB and/or manufacturer disclaims any liability in tort for damages, direct or consequential including personal injuries resulting from a malfunction or from a defect in design, material, workmanship, or manufacture whether caused by negligence on the part of LRB and/or manufacturer or otherwise. By using LRB products or allowing them to be used by others, the buyer and user waive any liability or LRB and /or manufacturer for personal injuries or other damages arising from such use. The above shall apply to all products LRB and/or manufacturer supplies whether or not designed, manufactured, imported, warehoused, distributed, or sold by Lyndall Racing Brakes.
