

SYN BLEND ESTER

SEMI-SYNTHETIC, ESTER-BASED 4-STROKE ENGINE OIL

DESCRIPTION:

Semi-synthetic, ester-based 4-stroke engine oil designed to ensure optimum protection, peak performance and positive clutch feel. Surface-active formulation provides excellent film thickness and viscosity stability across all operating temperatures. Advanced, proprietary additive system keeps your engine running clean, trouble-free and extends the life of the machine. Exceeds the requirements of API SL / JASO MA2.

FEATURES & BENEFITS:

- Superior protection at any temperature
- Excellent clutch feel and clutch protection
- Shear-stable, ester-based formula maintains oil viscosity and film thickness
- Proprietary additive system and synthetic base oils combine to minimize oxidation and wear
- Increases durability and extends engine life
- Exceeds API SL and JASO MA2 specifications

APPLICATIONS:

For all air and water-cooled 4-stroke gasoline engines.
