BC-HD69-14U SADDLEBAG REPLACEMENTS

PRODUCT OVERVIEW

Metra Saddlebag Replacement Lids are designed with 6"x9" speaker adapters under the lid for correct 6"x9" fitment, and provide a better fit than any others on the market. They have metal mesh speaker grilles and are finished in gloss black and can go from package to bike. They can also be painted. Fits 2014-UP Harley-Davidson touring models with factory saddlebags.

- One pair of bag lids with 6"x 9" speaker adapters
- Metal mesh speaker grilles
- Factory latch assembly transfers to the new bag lid
- Additional hardware, rubber gaskets, and cloth tether restraints included
