Cruiser/Custom, Roadster, Sports, Sports Touring, SuperMoto, Trail

Grip, longevity, and a unique design for classic and neo-retro street bikes.

Why choose MICHELIN Pilot Activ?

A Full Range of Sizes

With 17 sizes (front/back), the MICHELIN Pilot Activ tire is compatible with a variety of models, from street bikes to classic medium-sized motorcycles. It's especially suitable for the following motorcycle types: Royal Enfield, Triumph Bonneville, and Guzzi V7, etc.

Outstanding Grip No Matter the Conditions

Absolutely foolproof street performance for the entire duration of the tire's service life, it guarantees a higher degree of safety, no matter the weather conditions. The MICHELIN Pilot Activ tire provides for efficient water drainage for perfect grip, even on wet surfaces.

Maximum Longevity

MICHELIN Pilot Activ tire demonstrates optimal resistance to wear and tear and improved mileage, thanks to an outstanding combination of performance and durability.

Michelin always aims to bring together multiple performances.

At Michelin, we never work on one isolated element of performance. Instead, we focus on the whole package: safety, durability and the thrill of riding... all at the same time and with no trade-offs. That's what we mean by MICHELIN® Total Performance™.
