

MICHELIN

PILOT POWER 2CT

Roadster, Sports, Sports Touring, SuperMoto, Trail

The affordable dual-compound sport tire designed for sporty use combines grip on dry and wet surfaces, and power around the curves.

Why choose MICHELIN Pilot Power 2CT?

Grip and Maneuverability

MICHELIN Pilot Power 2CT tire is designed for enjoying sporty riding. It satisfies riders' demands by combining excellent grip on both wet and dry surfaces as well as an optimized service life.

MICHELIN 2CT Dual-Compound Technology

A tire that's resistant in the middle and tender on the edges, allowing it a maximum lean angle of 51.2°, is an unprecedented feat for a tire designed for the road. Thanks to its 2CT dual-compound technology, this is just an example of MICHELIN Pilot Power 2CT's performance capabilities.

A Tire Designed for Sporty Use

Designed to last on long trips without cutting corners, MICHELIN Pilot Power 2CT tire withstands the aggression of accelerations and doesn't flinch at harsh braking.

Michelin always aims to bring together multiple performances.

At Michelin, we never work on one isolated element of performance. Instead, we focus on the whole package: safety, durability and the thrill of riding... all at the same time and with no trade-offs. That's what we mean by MICHELIN® Total Performance™.
