

MICHELIN

S1

Electric, Scooter

The economical tire for urban scooters: a sleek look without compromising performance!

Why choose the MICHELIN S1?

Performance and Design

The MICHELIN S1 tire is suitable for most urban scooters thanks to its modern design and sporty performance.

Grip and Longevity

Thanks to its optimized tire tread, the MICHELIN S1 tire ensures exceptional grip, outstanding maneuverability, and increased longevity.

Michelin always aims to bring together multiple performances.

At Michelin, we never work on one isolated element of performance. Instead, we focus on the whole package: safety, durability and the thrill of riding... all at the same time and with no trade-offs. That's what we mean by MICHELIN® Total Performance™.
