

MOUSSE

Mitas

Mitas mousse has been developed in conjunction with Mitas sponsored and testriders. Numerous versions of the product were tested in combination with Mitas tyres on different terrains and in a variety of weather conditions.

Mitas Mousse fits perfectly into Mitas branded motocross, enduro and extreme enduro tyres and is available in three different versions: Standard for all terrain use, Soft for hard terrain and Extreme for ultra-hard types of terrain

Inch	Code	Size	NHS	Version	Position	Aspect	Air pressure estimated
18	599064	110/80×18	NHS	STANDARD	REAR	CYLINDRICAL	0.8/1.0
	599052	120/90×18	NHS	STANDARD	REAR	CYLINDRICAL	0.8/1.0
