

Swivel Head Cable Clamps

Looking for a clean way to route your cables? Motion Pro offers a selection of Swivel Head Cable Clamps available in chrome or our NEW black finish. The unique two-piece design makes it's a breeze to install and includes rubber inserts to accommodate diameters from 1 in. to 1 1/2 in. with matching high quality Allen bolts. The Swivel Clamps are available for dual or single cable applications and include rubber inserts to accommodate all cable housing diameters.

Accept no compromises, choose only quality motorcycle handlebars & controls.
