

CHAIN LUBE ROAD

Spray Lubricant for Road Motorcycle Chains

Part of MOTUL MC Care Chain Maintenance Line

APPLICATION

MOTUL Chain Lube Road is a lubricant specifically developed to lubricate and protect the chains of road motorcycles and go-karts.

- Specially recommended for street bikes and go-karts.
- Compatible with O-ring, X-ring, and Z-ring chains.

PERFORMANCE

- Very strong tack to adhere to the chain even at high speeds.
- Increases chain lifespan.
- Water and salt resistant. Protects the chain against corrosion.
- Extreme pressure resistant.
- Protects O-rings, X-rings and Z-rings. Does not affect seals on O-rings.
- Contains a solvent to eliminate old residue and to penetrate into the links.
- Colorless formula to insure cleanliness when applied.

RECOMMENDED USE

Maintaining the chain will increase its life, reduce friction and wear, decrease power loss, and protect it from corrosion.

1. Clean the chain with MOTUL Chain Clean.
2. Shake MOTUL Chain Lube Road before use.
3. Apply to the whole length of the inner chain.
4. MOTUL Chain Lube Road adheres completely after a few minutes.

SECURITY & SAFETY PRECAUTIONS

Refer to the information mentioned on the label and on the MSDS sheet.

Product No. 103244
