

Installation Instructions for Mustang One-Piece Seat on 2000-2011 Yamaha 1100 V-Star Classic and Silverado

Installation of Mustang seat

1. Remove stock seats and remove stock mounting brackets from rear fender.
2. Mustang's one-piece seat uses the nose tab and the single rear fender screw for a secure installation.

3. Engage nose tab at front of seat, then align and secure the rear mounting tab to the fender.

Ref. part #'s 75623, 76152

Accept no compromises, choose only quality motorcycle seats & backrests.
