

MOUNTING SUGGESTIONS:

Suzuki Volusia 800/C50 & C50T Fender Bib

Note: Mustang recommends removal of the fender bib before installing a passenger seat. Mounting a passenger seat over a fender bib may result in damage to the bib, poor seat alignment or other problems.

Installation of Mustang fender bib:

1. Remove the seat from the motorcycle.
2. Position the bib on the fender and attach the rear bib mount to the fender with the stock bolt.
3. Align the forward mounting holes with the fender mounts, and install the solo over the bib.
