

MOUNTING SUGGESTIONS:

Yamaha V-Star 650/1100 Custom Fender Bib

Note: Mustang recommends removal of the fender bib before installing a passenger seat. Mounting a passenger seat over a fender bib may result in damage to the bib, poor seat alignment or other problems.

Installation of Mustang fender bib:

1. Remove the seat from the motorcycle.
2. Position the fender bib onto the fender.
3. Attach the fender bib to the fender with three stock fender screws.
4. Re-install solo.

Enjoy the custom look of your new Mustang fender bib!

These steps are guidelines to help you install your new Mustang product.
