

MOUNTING SUGGESTIONS:

Yamaha V-Star 1100 Classic Fender Bib

Note: Mustang recommends removal of the fender bib before installing a passenger seat. Mounting a passenger seat over a fender bib may result in damage to the bib, poor seat alignment or other problems.

Installation of Mustang fender bib:

1. Remove the seat from the motorcycle.
2. Position the fender bib so that the front holes align with the solo seat mounting hole.
3. Install the solo over the fender bib.
4. Attach the rear of the fender bib to the fender with the stock rear fender screw.
