

MOUNTING SUGGESTIONS:

Honda VTX1300C & VTX1800C Fender Bib

Note: Mustang recommends removal of the fender bib before installing a passenger seat. Mounting a passenger seat over a fender bib may result in damage to the bib, poor seat alignment or other problems.

Installation of Mustang fender bib:

1. Remove the seat from the motorcycle.
2. Position the fender bib onto the fender.
3. Attach the fender bib to the fender with the rear stock fender screw and the rear seat front mounting screw.
4. Re-install solo.
