

FORKSKINS[®]

ForkSkins Save your Forks from Dirt Abuse.

Fork Skins Long

Large

Fits fork tubes with a diameter of 44mm to 50mm, most 125cc and larger motocross bikes.

Small

Fits fork tubes 32mm to 43mm, most 50cc to 85cc.

Greatly reduces mud & dirt contamination, keeping fork seals clean in all conditions

Greatly increases fork seal life, saving hundreds of dollars over the life of your bike

Included FREE is a set of grip Donutz which help prevent nasty thumb blisters.

Simply slide them over your grips, and you're ready to ride.
