

WINDSHIELD CITY ADAPTABLE TO

## HONDA DYLAN

Mod.: SPORT  
Ref.: 1300H

Mod.: TOURING  
Ref.: 1299H

### PREVENTION

- Use water and neutral soap to clean the windshield.
- Check the tightening of the fasteners periodically.
- Park the scooter facing the sun, avoiding the sun-reflection effect that may damage some parts.
- Park if possible on even surfaces.

Thanks for your attention.
