

## LICENSE SUPPORT YAMAHA R1 07' -08'

REF:4454N

### MOUNTING INSTRUCTIONS

- 1- Dismount the original support.
- 2- Plastic briddles supplied to tighten the electric cables in the slots (7). It is recommended to place the briddles without tighten before mounting the license bracket.
- 3- Place the fasteners M6x45 (6) with the washers (5) on the interior part of the back cowl, and next, thread the aluminium arrowheads (4) from the exterior.
- 4- Mount the supplied bracket (3) with the washers (2) and M6 nuts (1). The set offers the regulation that allows you to adjust the bracket in a position more or less forward. Once decided, tighten the set.
