

**LICENSE SUPPORT ADAPTABLE TO DUCATI MONSTER 696
08' -14' REF:4733N**

INSTRUCTIONS TO ASSEMBLE

- 1- Dismount the original license support removing the 4 screws (5) that subjects it from the interior part. Remove as well the rear light (7) and the seat lock kit (9).
- 2- Mount the rear light (7) on the license support supplied (1) using the original fasteners (6). Mount the lock kit (9) tightening the cable through a ziptide (8) in order to look alike with the set shown on the drawing below.
- 3- Before tightening the license support, tight the close up (12) with the original fasteners. Next, place the license support on the original pivots (13) and tight it with the original fasteners (5) and washers (4), placing the cylinders (3) in between as the figure below shows.
- 4- It is supplied 3 ziptides to tight the cable of the rear light in the slots (11) to ensure the rest of the cables inside the interior box set by the license support.

Material supplied to assemble the license support:

	DESCRIPTION	QTY
1	Black support	1
11/8	Plastic ziptides	4
3	Aluminium cylinder Ø18 x 5	4
4	Licence light	1
