Original Series Explained

Renthal Grip Tech : Original series have been used by more motocross and off-road champions throughout the world than any other over the last 20 years.

Available in 3 different patterns and 3 different advanced compounds; there is a grip to suit every need.

Each grip offers a different level of strength, tackiness and shock absorption to suit a variety of riding conditions and individual style.

3 Compounds

Renthal's unique compounds ensure the grips you choose are the best for you. Whether you require a softer grip for shock absorption or a harder grip for durability, Renthal has the perfect grip for you.

3 Patterns

The original series grips also feature 3 different patterns. These patterns ensure you get a grip that is even more appropriate. The waffle pattern helps clear mud from the grip, where as the diamond pattern provides maximum grip.
