

Fitting Instructions for RAD0112BK/TI Radiator Guard
SUZUKI V-STROM 650 2012

In This Kit There Should Be

- 1x Radiator Guard (RAD0112BK).**
- 2 x 100mm Lengths of self-adhesive Foam.**
- 1x M6x20mm long button head bolt.**
- 1x M6 nyloc nut.**
- 2x M6 washers.**
- 2 x Cable/Zip Ties**

- To fit the radiator guard to the bike cut the foam strip provided into 10mm wide pieces and stick them to the back of the radiator guard frame, so that they sit between the radiator guard and the radiator.
- Undo and remove the bolt shown in picture 1.
- Offer the radiator guard into position and using the button head bolt and washer from the front secure in position as shown in picture 2.
- Fit the washer and nut onto the threaded portion of bolt (just fitted) protruding from the radiator mounting bracket and secure.
- Use the two cable ties and secure the top of the radiator guard to the frame brackets in two places as arrowed in picture 3.

CONSUMER NOTICE

The catalogue description and any exhibition of samples are only broad indications of the Products and R&G may make design changes which do not diminish their performance or visual appeal and supplying them in such state shall conform to the order. The Buyer acknowledges no representation or warranty (other than as to title) has been given or will apply to the Products other than those in R&G's order or confirmation and the Buyer confirms it has chosen the Products as being of merchantable quality and suitable for its particular purposes. Where R&G fits the Products or undertakes other services it shall exercise reasonable skill and care and rectify any fault free of charge unless the workmanship has been disturbed. The Buyer is responsible for ensuring that the warranty on the motorcycle is not affected by the fitting of the Products. On return of any defective Products R&G shall at its option either supply a replacement or refund the purchase money but shall not be liable if the Products have been modified or used or maintained otherwise than in accordance with R&G's or manufacturer's instructions and good engineering practice or if the defect arises from accident or neglect. Other than identified above and subject to R&G not limiting its liability for causing death and personal injury, it shall not be liable for indirect or consequential loss and otherwise its liability shall be limited to the amounts paid by the Buyer for the Products or the fitting or service concerned. These terms do not affect the Buyer's statutory rights.
