

## FITTING INSTRUCTIONS FOR FP0155BK FORK PROTECTORS BMW R NINE T '14-

Please note that the way the kit is packed does not necessarily represent the way of mounting to the bike

Please note that in cases where kits are packed with rubber washers holding the components onto the bolt – *the rubber washers should be thrown away!*

### **YOU WILL NEED THE FOLLOWING TOOLS TO COMPLETE THIS JOB**

Socket set to include two 13mm A/F sockets with wrenches.

- Fit the larger spacer into the hexagon shaped recess in right hand side of front spindle (this spacer has two very similar size spigots, the very slightly larger spigot fits into the spindle).
- Fit one nut and washer on spindle bar (the end with shorter thread) engage the nut so the plastic insert of nut is fully engaged.
- Feed spindle bar with nut and washer through either bobbin and through spindle spacer (from the left hand side) just fitted so larger diameter sits into large counter bore in back face of bobbin.
- Place remaining spacer over exposed left hand end of spindle bar so the smaller spigot locates in right hand side of spindle (so larger diameter sits into large counter bore in back face of bobbin).
- Fit washer and nut from kit onto thread and tighten until both nuts are engaged in nylon and equal amounts protrude from either side. Do not overtighten the nyloc nuts will hold it tight.

### **CONSUMER NOTICE**

The catalogue description and any exhibition of samples are only broad indications of the Products and R&G may make design changes which do not diminish their performance or visual appeal and supplying them in such state shall conform to the order. The Buyer acknowledges no representation or warranty (other than as to title) has been given or will apply to the Products other than those in R&G's order or confirmation and the Buyer confirms it has chosen the Products as being of merchantable quality and suitable for its particular purposes. Where R&G fits the Products or undertakes other services it shall exercise reasonable skill and care and rectify any fault free of charge unless the workmanship has been disturbed. The Buyer is responsible for ensuring that the warranty on the motorcycle is not affected by the fitting of the Products. On return of any defective Products R&G shall at its option either supply a replacement or refund the purchase money but shall not be liable if the Products have been modified or used or maintained otherwise than in accordance with R&G's or manufacturer's instructions and good engineering practice or if the defect arises from accident or neglect. Other than identified above and subject to R&G not limiting its liability for causing death and personal injury, it shall not be liable for indirect or consequential loss and otherwise its liability shall be limited to the amounts paid by the Buyer for the Products or the fitting or service concerned. These terms do not affect the Buyer's statutory rights.
