

FITTING INSTRUCTIONS FOR EP0005BK R&G OVAL SUPERMOTO “STYLE” EXHAUST PROTECTOR

- The R&G Exhaust Protectors is designed to fit in your preferred position on the exhaust muffler.
- Open the jubilee clip completely, so that it is no longer continuous.
- Place black rubber strip around the can, in the position where you intend to mount the Exhaust Protectors.
- Cut the rubber strip to size.
- Locate the jubilee clip around the strip.
- Check that the position of the Exhaust Protector is as required. Re-tighten the jubilee clip in order to secure the Exhaust Protector.
- Cut off excess part of the jubilee clip to make it safe and improve the look as required..

Please note that it is your responsibility to ensure that no part of the exhaust protector assembly fouls or comes into contact with other parts of the machine. Do not ride the motorcycle until this aspect has been verified and you have compressed the rear suspension (if appropriate to the design of the motorcycle) to test this thoroughly.

CONSUMER NOTICE

The catalogue description and any exhibition of samples are only broad indications of the Products and R&G may make design changes which do not diminish their performance or visual appeal and supplying them in such state shall conform to the order. The Buyer acknowledges no representation or warranty (other than as to title) has been given or will apply to the Products other than those in R&G's order or confirmation and the Buyer confirms it has chosen the Products as being of merchantable quality and suitable for its particular purposes. Where R&G fits the Products or undertakes other services it shall exercise reasonable skill and care and rectify any fault free of charge unless the workmanship has been disturbed. The Buyer is responsible for ensuring that the warranty on the motorcycle is not affected by the fitting of the Products. On return of any defective Products R&G shall at its option either supply a replacement or refund the purchase money but shall not be liable if the Products have been modified or used or maintained otherwise than in accordance with R&G's or manufacturer's instructions and good engineering practice or if the defect arises from accident or neglect. Other than identified above and subject to R&G not limiting its liability for causing death and personal injury, it shall not be liable for indirect or consequential loss and otherwise its liability shall be limited to the amounts paid by the Buyer for the Products or the fitting or service concerned. These terms do not affect the Buyer's statutory rights.
