## READ BEFORE OPENING PACKAGE

It is your responsibility to make sure the part sent fits the application. If ride wright wheels made a mistake or sent the wrong part, we will gladly return it as long as it is still in the original package and unused. Otherwise, new parts still in the original packaging and purchased within 30 days can be returned, but are subject. Ride wright is not obligated to rush the shipping on any replacement parts.

Special ordered parts and wheels cannot be returned. If a part is damaged during delivery call us immediately and do not try to install it. Do not destroy the packaging or write on it. Defective parts, including electrical, cannot be replaced or refunded until the manufacturer deems the product defective. At this point, ride wright wheels can replace or rebuild the part. We do not accept returns on installed parts. We do not reimburse for any labor fees or down time associated with the product we sell, whether it is due to warranty, purchasing, or shipping errors. When damages occur during shipping, you must save all packing material in order for us to make a claim.

Our wheels are made in the USA and are officially tested to the highest standards worldwide. All of our wheels and accessories have a 6-Month Chrome Warranty and a Lifetime Structural Warranty. If a manufacturing defect is detected during the warranty period, Ridewright Wheels will at its option repair or replace the defective product.
