

Race Foundation for the Pits

The Risk Racing Factory Pit Mat is the best way to dress up your pit area, garage, shop, trailer, RV...or even your house! It creates a clean and stable environment for your bike, but doubles as a changing mat, or the best rug in your home. Your wife will love it...trust us!

Transportation Tote Bag

It rolls up into a nice little 13 lb, 5.5 inch diameter roll, and comes with a zippered tote bag for easy transport.

Pair it with RR1 Lift Stand

If you want to look like a factory rider, this is the pit mat for you! Pair it up with the RR1 Ride-On Lift for the full luxury pit experience.

Features

- High quality durable and chemical resistant materials
- Creates a clean and stable environment for your bike
- Rolls up and stores in the zippered tote bag for easy transport
- Pairs perfectly with the RR1 Ride-On Lift Stand
