

## Features

### 2014-Up Harley Davidson Bat Wing Fairing Single Din Installation Kit – Gloss Black

The Scosche HD14UBN 2014-Up Harley Davidson stereo install kit provides a seamless replacement from the factory stereo to a single DIN aftermarket unit. Compatible with 2014-up Harley Davidson Bat Wing Fairing motorcycles. The kit includes the HDSWC2 handle bar interface in gloss black, two 16-gauge galvanized metal brackets, antenna adapter, and all other parts necessary parts and interfaces to install the aftermarket stereo in your motorcycle's dash. The new stereo installs without any gaps to match with the motorcycles dash contours and is backed by Scosche's Lifetime Tech Support and Limited Lifetime Warranty.

When it comes to quality motorcycle chrome trim & custom accessories, Scosche is the brand you can depend on.
