

Proper kit assembly: do not tighten the screws until ascertaining that the kit is properly positioned and aligned. **General note:** the straps (2) included in this KIT should be used to assemble one of our storage boxes, replacing the cavaliers included in the bag of screws for the storage boxes.

HONDA CBF 250 '04
HOCB24ST
KIT TOPMASTER

Disassemble the seat (A).
Disassemble and reject the rear handle (B) with the screws (C) and (D). Please note: Extreme caution must be taken when removing the screws (C) since at the same time the seat closing mechanism will be disassembled (E).

Assemble the KIT TOP support (1), fix it using the screws (D) in the area behind the support, using the screws (C) which should be assembled together with the seat closing mechanism (E). Close the seat (A).

PARTS:

Pos.	Ref.		Cant.	
1	260957		1	KIT TOP support
2	260958		2	Strap cavalier
