

# FAQ

## Why Shad Cases?

SHAD manufactures and distributes cases of various capacity and styles ranging from large motorcycles to scooter and maxi scooter. Common characteristics of all SHAD cases are the great quality of the materials used, increasing their guarantee and resistance, their high performance and their innovative aesthetics. SHAD exclusive features adding value to the brand are:

### 1. SHAD MANUFACTURE FOR THE TOP BRANDS.

SHAD brand belongs to NADSL, a company whose activity is the manufacturing of seats and cases for the top motorcycle makers.

### 2. SHAD GUARANTEE THE MAXIMUM QUALITY

Since its beginnings, SHAD has been committed to offer a high quality product and, as a result of consistent innovation and the continuous improvements in the management system

### 3. ALL SHAD CASES INCLUDE A FITTING PLATE AND SCREW SET

All SHAD cases include fitting plate and screw set to mount the case on its fitting or directly onto the motorcycle.

### 4. SHAD HAVE ADAPTABLE RACKS FOR DIFFERENT CASES

SHAD has various racks available, common to a variety of cases. The universal rack, valid for most of SHAD cases; and the large rack, designed for larger capacity cases.

### 5. SHAD TOP BOXES

Shad Top Box Fitting Kit Each top box comes with a fitting plate which you can attach to an existing carrier, however it is recommended you use a SHAD fitting kit which includes everything you need to fit the top box.
