

DISCOVERY

DIVISION

The Discovery Division offers optimal comfort and safety in a practical and changeable line. With EVO-ONE 2, SHARK Helmets is proposing a revised version of its celebrated model EVO-ONE and once again lays claim to the title of market reference in the modular segment.

EVO-ONE 2

SHARK

[1] IMPROVED KINEMATIC VISOR

[2] NEW CHIN GUARD LOCKING/ UNLOCKING SYSTEM

[3] AUTO-UP AND AUTO-DOWN SYSTEM

[4] MAGNET FIXATION REINFORCED

[5] NEW CHIN CURTAIN COLOR

[1] Enhanced kinematic visor.

[2] New chin guard locking/unlocking system for greater ergonomics and flexibility when in use

[3] The patented «Auto-up / Auto-down» system allows automatically lifting the visor while raising or lowering the chin guard.

[4] Reinforced magnetic fastening of the chin curtain

[5] New system-wide color scheme allowing for ease of chin curtain handling and simplifying its identification

[6] Compact aerodynamic profile plus a tremendous reduction in airborne noise thanks to CFD design (by simulating computational fluids).

[6] COMPACT AERODYNAMIC PROFILE

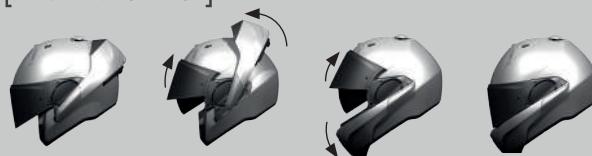

[7] NEW LATERAL PLATES

[8] « DARK CHROME » FINISH
